Fund features

Sustainable companies: An investable universe of companies that we believe have a net positive alignment with one or more of the 17 United Nations Sustainable Development Goals (SDG's) and exceed Alphinity's minimum ESG criteria.

Exclusions: Exclusions from the investable universe, defined by a Charter, for activities that are considered to be incongruent with the SDG's

Active ownership and stewardship: We seek to engage with companies on ESG matters and also intend to vote all proxies put to shareholders

Consistent Returns: We can invest in growth, value, cyclical or defensive companies, because we aim to own them at the right time in their earnings cycle
